- Definition of postal item and parcel types, information on additional tariffs and delivery conditions can be obtained at postal counters or from the postal service guide.
- The Israel Postal Company's liability for domestic and international registered postal items and parcels is limited by law. The conditions for compensation regarding registered items, parcels and EMS are available at post office counters.
- Information on the group each country belongs to can be obtained in post offices, via the post information center number 171 (telephone 1-700-500-171) or at [www.israelpost.co.il](http://www.israelpost.co.il)

- More information on discounted tariffs for non-sorted bulk mail can be obtained at post counters.
  - (1) A discount of 10% is given for a sum of above 300,000 NIS (excluding VAT) during a calendar year quarter, notwithstanding the type of dispatch as long as they fit the definition of bulk mail. All types of bulk mail include: sorted, standard and non-standard bulk mail, unsorted bulk mail, registered bulk mail, international bulk mail, "Doar 24" bulk mail, and bulk reverse-charge mail.
  - (2) As for word count in a telegram, a word containing more than 10 letters is counted as 2 words.

- (3) Rate for printed matter only up to 5 kg. (4) Including aerogramme.
- The rates include VAT and are valid from 1.1.2018. The rates are set in the Postal Regulations and the Postal Company's Tariff List and updated from time to time. For complete information regarding conditions of service - see Postal Guide. Errors and omissions excepted.
